injury. Amended Petition at ¶¶ 1, 12-13; Ex. 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On May 24, 2023, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, Respondent agrees that Petitioner has satisfied the criteria set forth in the Vaccine Injury Table and Qualifications and Aids to Interpretation for SIRVA. *Id.* at 5. Respondent further agrees that "the records show that petitioner timely filed her case, that she received the flu vaccine in the United States, and that she satisfies the statutory severity requirement by suffering the residual effects or complications of her injury for more than six months after vaccine administration." *Id.* at 6.

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
